AN INVITATION

You are cordially invited to browse through our garden center at any time. We are open from 8 A.M. until 6 P.M. through Spring and Summer. MANY SPECIALTY ITEMS WILL BE ON DISPLAY WHICH ARE NOT LISTED HERE.

HOLDRIDGE'S EVERGREENS

Pyramidal
Arborvitae

At our garden center, we will have thousands of evergreens all dug fresh this spring, either from our own nursery or other local farms. These trees are all dug by experienced workmen, the balls are tied tightly and then we keep the trees under our shaded lath house under ideal conditions.

Spreading Yew

Our trees will be ready for your inspection and immediate purchase. Before you buy anywhere, look over our stock. Compare quality and prices with anyone but be sure you plant only locally grown stock for best results.

Listed below are a few of the most widely used varieties.

Hemlock—10-12" M	}	\$2.00
Golden Plumosa—18-24" M		
Globe Arbor Vitae—10-12" L		
Laurel—15-18" M spread		
Ilex Crenata Convexa—10-12" spread	}	\$2.50
Irish Juniper—15-18" T		
Biota Aurea Nana—12-15" L		
American Holly—9-12" T (male & female)		
Greek Juniper—12-15" M		
Spreading Taxus—10-12" L spread	}	\$3.00
Ilex Crenata—15-18" M		
Spreading Juniper—15-18" I Hetzi		
Andromeda—15-18" M		
American Arbor Vitae—2-3' T		
Leucothoe—15-18" M		
Hemlock—15-18" M	}	\$3.50
White Spruce—2-3' T		
Squorosa, K & C—15-18" M	}	\$4.00
Spreading Taxus—15-18" L		
Spreading Juniper—Pfitzer, Andorra and Large Hetzi L	}	\$5.00
Hicks Upright Taxus T		
Pyramidal Arbor Vitae—3-4' T		
Andromeda—18-24" M		
Dwarf Andromeda—12-15" L	}	\$5.00
Colo. Blue Spruce—18-24" T		
Capitata Taxus—2½-3' T	}	\$5.00
Spreading Taxus—2 foot L spread		

L—denotes low growing types
M—denotes medium growing types
T—denotes taller growing types

Would you like to have us plan and plant your home for you? See Page 4.

HOW TO PLANT EVERGREENS

(1) Dig hole a foot larger and deeper than ball of earth. Provide good, loamy top soil to fill around ball.

(5) Fill hole with soil. Pack with loose earth, or a humus mulch. Peat moss or other humus generously incorporated through the fill back soil will encourage root growth.

AZALEAS

We will have over 2000 azaleas available this spring. Our largest shipments will arrive here about May 1st in bud. All azaleas bought this spring should bloom well this year.

Varieties and sizes available:

HINODEGIRI—the hardiest of the real red varieties—8 to 10 inch spread at \$2.00; and large 15 to 18-inch spread at	\$3.00
INDICA ALBA—white—12 to 15”	\$2.50
VASEYI—very hardy—pink—12 to 15”	\$4.00
MOLLIS types—the large yellow blossoms—12 to 15” tall	\$3.00
MICROLATUM—a very, very early lavender flower—15 to 18” tall	\$3.00
AZALEA SPECIAL—During May, we will have a large number of red, pink and white azaleas in bud or bloom with about a 6 inch spread.	
Our price, only	\$1.00
Shubert—late pink	\$3.00

RHODODENDRONS

Fortunei—hybrid pink, 15-18”	\$3.50
Roseum Elegans—purple, 15-18”	\$3.50
Boule de Neige—white, 10-12”	\$2.50
Wilsoni—dwarf pink, 10-12”	\$2.50
SPECIAL—Hybrid Red Seedlings, 8-10” 90c each; 10-15”	\$1.50

BABY EVERGREENS

Available during the month of April ONLY

Golden Plumosa—2 year transplants—12 to 15 inches tall—each	50c
Globe Arbor Vitae—2 year transplants—8 to 10 inches tall—each	50c
Spreading Taxus—2 year transplants—8 to 10 inches tall—each	50c
Capitata Upright Taxus—4 year transplants—8 to 10 inches tall—each	75c
Ilex—Roundleaf Holly—2 year transplants—12 to 15 inch spread—each	50c
Andromeda—4 year transplants—8 to 12 inch spread—each	75c
Colorado Blue Spruce—3 year seedlings—6 to 10 inches—each	20c
Spreading Juniper—2 yrs., 8-10”	50c
White Spruce—4 year—8 to 12 inches—transplants	50c
American Arbor Vitae—4 year transplants—10 to 12 inches—each	50c
Taxus Hicksi—tall growing 3 year transplants—each	50c

Absolutely no guarantee on lining out stock.

Mail orders of \$5.00 or more will be shipped prepaid.

Mail orders less than \$5.00, please add 50c for postage.

ORNAMENTAL AND FLOWERING TREES

Beautiful . . . Bountiful

**FLOWERING
CRAB**

CRIMSON ALMEY CRAB

All of the following trees will be in stock at the nursery at the start of the season. You may look them over, and take them home with you. Not mailable.

BIRCH—Paper White, 6-7' clumps . . . \$6.00

GOLDEN RAIN TREE—yellow flowers—5-6 feet—B. & B. . . . \$5.00

MIMOSA TREES—4-5 ft. whips . . . \$3.00

CATALPA SPECIOSA—4-5 ft. . . . \$3.00

YELLOW WOOD—3-4 ft. . . . \$3.00

SWEET GUM—4-5 ft. . . . \$3.00

KOUSA DOGWOOD—late blooming white—2-3 feet . . . \$4.00

1912 — HOLDRIDGE NURSERY — 1962

Fifty years ago this spring, Samuel E. Holdridge sent out to a few of his friends and neighbors a small price sheet listing a few varieties of strawberry plants which he had for sale. For about 25 years, strawberry plants were about the only items sold as plants while the farm was mostly commercial vegetable farm. Mr. Holdridge's insistence that only top quality plants of the better varieties be sold brought the demand for these plants to about a quarter of a million yearly.

About 25 years ago other items were added to the strawberry plants which we sold, first raspberry and asparagus plants, then fruit trees, grape vines and then evergreen trees. About 20 years ago it was decided to carry a complete variety of nursery stock, fertilizers and other needs and this has continued to be the policy of the firm.

Whereas 50 years ago only a few thousand strawberry plants were sold, today the Holdridge Farm Nursery, now operated by the second and third generations of the Holdridge family, has one of the most complete garden centers in the state, selling not only the stock listed in this catalogue but hundreds of other items.

In addition over 50 acres of land are in intensive nursery propagation with over 50,000 evergreens and shade trees in varying stages of growth. There are 15 acres of strawberries being grown this year, both for plants and for "pick your own" strawberries. There are 70,000 spruce trees being grown specifically for Christmas trees for the coming years.

Also, the Holdridge Nursery operates a Landscape Department with trained men to suggest and lay out planting plans and with trained crews ready to plant them at your home.

The Holdridge Farm Nursery has a 50 year record of service. Today it is being run mostly by young men who are looking to the future and new services are being offered and new varieties of trees and shrubs are being raised for this and the coming years. We look forward to serving you.

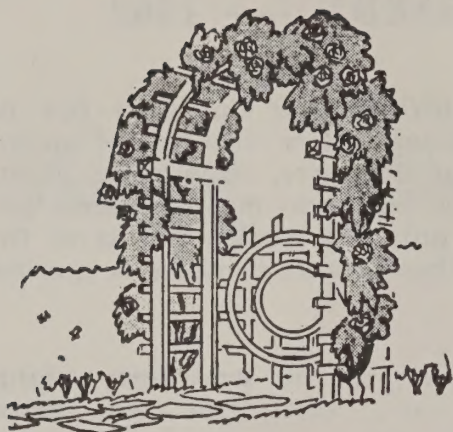

LANDSCAPE DEPARTMENT

Our Landscape Department specializes in the planning and planting of evergreens and ornamentals at homes and business establishments.

At your request, our salesman will call at your home to suggest varieties of evergreens and trees which will give lasting beauty to your home. These plantings will continue to increase in beauty and value as the years pass. Our salesman will be able to quote you on prices for these trees planted at your home and guaranteed. Naturally these prices are higher than the cash and carry prices quoted in this price list. Available to the Landscape Department also are a limited number of larger shrubs and evergreens which are not quoted here.

Each planting crew will be in charge of a trained foreman so that you can be assured that each tree is correctly planted.

Plantings are done in the same rotation as we receive definite orders. We cannot guarantee to do plantings as soon as orders are received because of previous commitments.

Everblooming

ROSES

2 YEAR FIELD GROWN

There is no other flower which will respond so well to extra care as the rose. We carry at our garden center a full line of needs for the rose fancier such as: peat moss, pulverized manures, rose fertilizers, rose dusts and sprayers and dusters for every sized rose garden.

CLIMBING ROSES — 95c

Climbing roses throw blooms only from the one year wood, and therefore will not bloom in any quantity during the first year. Climbing roses are very hardy and, once started, will last for many years.

Cli. City of York—white
Cli. Mrs. DuPont—yellow

Cli. Dr. Nicholas—pink
New Dawn—everblooming pink
Paul's Scarlet—red

Cli. Talisman—two-tone

PATENTED CLIMBERS

ALOHA—Pillar type, pink	\$2.50

CLI. PEACE—yellow pink	2.25
GOLDEN SHOWERS—daffodil yellow	2.75
Cli. BLOSSOMTIME—pink	2.50
Cli. DON JUAN—deep red	3.00

FLORIBUNDA ROSES

Floribunda roses grow from 3 to 4 feet tall, about the same height as the tea roses but blooms are all in clusters. As a rule, the stems of floribundas are shorter than tea roses, and so not as good for cutting but the masses of bloom make them excellent for effect in your garden. All will bloom this year.

FLORIBUNDAS

ROSES

During March and April we will have a very large selection of rose bushes on hand. Each plant will have its roots individually wrapped in peat moss and will have a large colored picture to help you make your choice. For mail orders—add 20% for packing and postage or we can ship by express collect. Our patented roses are all large No. 1 grade. The 95 cent roses are grade No. 1½. We reserve the right to substitute on mail orders after May 1.

**YOUR GARDEN
 DESERVES
 the WORLD'S
 finest ROSES**

In addition to the above listed roses, we will have about 25 more varieties available in smaller quantities most of which will retail at \$2.00 each.

POTTED ROSES

About May we will have a nice supply of potted roses available. These will do well for those who are not able to set their roses out early in the season. (Mostly Brownell sub zero varieties.)

Price — each\$2.00
 3 for 5.00

GRANDIFLORA ROSE

The Grandiflora Rose is a newly introduced class. The plants are relatively tall and are free flowering. They often flower in clusters with each individual stem being long enough for cutting. The size of the flower is not as large as the Hybrid Tea, but larger than the Floribunda.

Pink Parfait\$3.50
 Buccaneer—butterfly yellow .. 2.50
 Queen Elizabeth—delicate pink 2.50
 Cherry Glow 2.75
 John J. Armstrong—red 3.50
 1962 AARA Winner

Flowering Shrubs

We will start the season with a good supply of the following flowering shrubs. They will be potted in tar paper pots which should be removed before planting. Most shrubs are from 2 to 3 feet tall.

- ALMOND—small pink flowers—early.
ALTHEA—double rose red, double rose violet, double white, double white with pink center—late summer.
BEAUTY BUSH—pink bells — June.
BLUE HYDRANGEA—Nikko—a new variety—\$3.00.
BLUE MIST—light blue flower.
BUDDLEI—late summer blooms—white or purple.
*CORALBERRY—pink flower—red berries late fall.
*COTONEASTER—Horizontalis—very low growing—red berries—fall—\$1.50
DAPHNE CNEORUM—5 to 8 inch spread—potted—\$1.50.
DWARF DEUTZIA (Gracilis)—white—early summer.
DEUTZIA—Lemoine—Taller growing white.
ENKIANTHUS—for fall color—\$2.50.
EUONYMOUS—Alatus (Firebush or Wingbark) bright red leaves in fall—\$3.00
FORSYTHIA—Lynwood Gold—yellow bells in spring.
HANSON'S BUSH CHERRY—fruit, flowers.
HYDRANGEA A. G.—white snowball type flowers in summer.
HYDRANGEA P. G.—white flowers with pinkish tinge in fall.
HYDRANGEA—Domotei—pink—\$1.50
HYPERNICUM—Hidcote—yellow summer flower.
HYBRID LILACS—double white, blue, purple, lilac red, pink—\$1.50
KERRIA—yellow summer flower—\$1.50
LILACS, common—white and purple—will make heavy clumps.
MOCK ORANGE (Philadelphus)—double, very sweet.
POTENTILLA—nice yellow flowers.
*PYRACANTHA—beautiful orange berries—2-3 ft.—\$2.50.
*JAPANESE FLOWERING QUINCE—red flowers—\$1.00 and \$2.00.
SCOTCH BROOM.
SMOKE TREE—purplish bloom—\$1.50.
*SNOWBERRY—pink flowers—white berry.
SPIREA—Pink Anthony Waterer.
SPIREA VAN HOUTTEI—Bridal Wreath—small white flowers—early.
SWEET-SHRUB—chocolate flowers—spicy fragrance.
VARIEGATED LEAF DOGWOOD—Beautiful leaves, no flowers.
*VIBURNUM CARLESI—sweet pink snowballs, B&B—\$3.50.
VIBURNUM TOM. PLICATUM—Jap Snowball—\$1.50.
WEIGELIA—red, pink—bell shaped flowers—early spring.
DWARF PURPLE WILLOW.

Price: Each \$1.00, unless otherwise marked.

* Denotes berry-bearing shrubs liked by many birds.

SOIL TESTING SERVICE

Now Available

Bring in a soil sample (a mixture from three or more places in your plot). Report what you wish to grow in the area. Allow 1 week for tests and recommendations. Charge per sample—\$1.00.

Norway Maple

SHADE TREES

CRIMSON KING MAPLES—tall growing maple, bright red leaves all summer—6-8 ft. whips, \$3.75; 8-10 ft B&B	\$10.00
SILVER MAPLE—fast growing, 8-10 ft. tall, 1¼ inch caliper	4.00
NORWAY MAPLE—8-10 ft. \$5.00; heavy	10.00
CHINESE ELMS—5-6 ft. tall	1.00
MT. ASH—red berries in fall—3-5 ft. in pot, \$1.00; 6-8 ft. \$4.00; 8-10 ft.	5.00
POPLAR, Lombardy—quick growing, slender windbreak. Use while growing a more permanent border	1.00
AMERICAN LINDEN—6-8 ft.	4.75
SUGAR MAPLE—6-8 ft. B&B	6.00
WHITE BIRCH—Singles—8-10 ft.	5.00
LOCUST—Moraine—6-8 ft.	6.00
PIN OAK—5-6 ft.	4.00
MAPLE—Schwedler—red leaves turn to green in summer—8-10 ft.	6.00
GREEN ASH—fast grower—8-10 ft. B&B	4.00
SKYLINE LOCUST—new shapely tree—5-6 ft.	6.00
SUNBURST LOCUST—Golden tips to leaves—5-6 ft.	6.00

We offer only bare root trees of the size specified. These will transplant easily but should be planted before the leaves start.

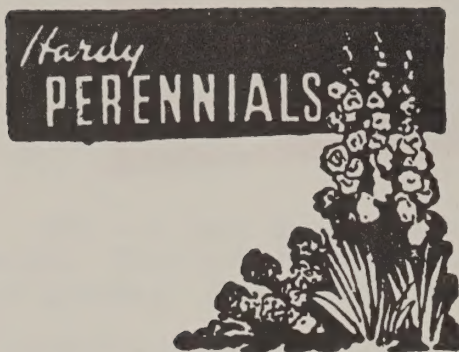

CLIMBING VINES

ALL 2-YEAR VINES OR OLDER

ENGLISH IVY—we offer Hardy Baltic type—each	50c
*BOSTON IVY—clings to brick and stone walls—each	75c
HALL'S JAP HONEYSUCKLE, fast growing vine—each	60c
CLEMATIS PANICULATA, white flowers, September	\$1.00
*AMERICAN BITTERSWEET, scarlet fruit on split orange pods	1.00
WISTERIA, sweetly scented hanging flower, purple	1.50
CLEMATIS, Mme. Andre—Red	1.50

 GLOXINIAS—By color 50c
 HANGING BASKET BEGONIAS—Large Bulbs 50c

FERTILIZER

We can quote the following prices for fertilizer delivered to farms in this area in one ton or more lots. Allow three to five days for delivery from the factory. We usually stock 5-8-7 and 5-10-10 at the nursery and this is available at any time, but we do not deliver from the garden center.

FERTILIZER	Per Bag	Per Ton
5-8-7	\$2.50	\$52.90
5-10-10	2.60	56.10
7-7-7	2.70	58.10
0-15-30		71.80
8-16-16		77.30
10-10-10		67.20
20% Superphosphate	2.00	42.70
Limestone	.90	16.00
Hydrate Lime	.90	28.00

Delivery on Lime — \$5.00 per ton

GLADIOLI

GLADIOLI BULBS—These bulbs are grown for us by a specialist in glads. All beds have been dusted and sprayed regularly so that flowers will be at their best this coming year. No. 1 grade bulbs are at least 1½ inches in diameter. They will all produce beautiful spikes this summer. Color pictures of all varieties will be on display at our nursery.

Abu Hassan—deep violet blue.
Arc De Triumph—pale yellow.
Ares—cream with scarlet blotch.
Aristocrate — carmine red, purple shaded.
Alfred Nobel—pink, white blotch.
Benaris—soft rose, red marking.
Benjamin Britton—deep lavender.
Blue Conqueror—deep blue.
Blue Veil—pale blue.
Doris Day—lavender magenta.
Dream Girl—mauve.
Elizabeth The Queen—lavender.
Fireking—fiery red.
Friendship—frilled light pink.
Gold—deep yellow.
Gratia—pale blue with darker blotch.
Gustav Springer—purple reddish.
Hans Van Meegeren—yellow.
Hopman's Glory—sunflower yellow.
Jo Wagenaar — carmine red, white marking.
Leeuwenhorst—lilac rose.
Leif Ericson—creamy white.
Bordeaux—blood red, velvet shaded.
Morning Kiss—tall white.
Modern Times—wine red.
Mother Ficher—ruffled white.
Maria Goretti—pure white—early.
Merry Widow — violet blue with white blotch.

Mary Housley — creamy with red blotch.
Orange Gold—best orange.
Palette—vermillion red with purple blotch.
Pactolus—apricot yellow with red marking.
Poligoon — pale yellow with red marking.
Ravel—violet blue with red marking.
Regine—orange with red marking.
Red Fox—deep red—early.
Royal Prince—flaming red.
Sans Souci—tall, brilliant red.
Sunny Boy—creamy yellow with red blotch.
Spic & Span—very good pink.
Uhu—smoky brown, dark striped.
Valeria—good red.
Uncle Tom—dark purple red.
Winston Churchill—deep red.
Wild Rose—rose with light throat.
Happy End — orange red, cream blotch.
Elan—pale rosy scarlet.
Melody—pink with red blotch.
Presto—violet pink.
Traveler—pastel rose.

Price 12 for 60c; 50 for \$2.00;
100 for \$4.00

Postage Prepaid—Add 20%

SMALL GLAD BULBS—Mixed Colors Only—will bloom this year—one inch in diameter. Price: 50 for \$1.00; 100 for\$1.85

MINIATURE GLADIOLI:

Miniature glads have smaller florets on fairly long stems. They are especially good for displays in vases where the regular glads may be too heavy. 10 varieties available.

By Mail — Mixed Colors — Same price as standard glads.

BUTTERLY GLADIOLI:

A newer type of glads—medium growth—mostly bi-colors and usually with ruffled edges. 10 varieties available.

Price — dozen \$1.00; 100 for\$7.50

GREEN GLADS: Two varieties. Something new and different. 20c each; 3 for 50c; 6 for\$1.00

FRUIT TREES

We can offer this year a nice variety of fruit trees grown for us by one of the largest nurseries in the country. All are of top quality and are graded strictly to size.

Our low overhead on our farm enables us to sell these trees at a much lower price than that quoted by most dealers. We hope that you will compare sizes and prices with other concerns and that you will come and see the trees here at our farm. These trees will be ready in our sales cellar by March 15 or before.

Each year we are sold out of some varieties early. To be sure of varieties wanted, order now and they will be saved for you.

It is possible for us to ship by parcel post, up to 10 fruit trees, by pruning to meet postal regulations. The charge for wrapping and postage is 20% of cost of trees but not less than 50c for an order. Large orders will be shipped by Railway Express or will be held for you in our storage. No orders will be held after May 1 unless paid for in full.

We advise that all fruit trees be planted as early as possible in the spring.

ONLY J. H. HALE REQUIRES CROSS-POLLINATION

All Peaches listed above are freestone.

PEACH TREES — 1 YEAR

Golden Jubilee—very early, yellow, mid-August
Red Haven—excellent quality, mid-August
Golden Jubilee—early freestone
Hale Haven—high quality yellow, good shipper, early September
Belle of Georgia—large white, early September
J. H. Hale—very large yellow, mid-September
Elberta—standard canning peach, mid-September.
White Hale—mid-September

PRICES
9/16 inch caliper
4-5 feet tall

If your total order for trees is 50 or more, we offer a discount of 10c per tree from quoted prices.

DWARF FRUIT TREES

Dwarf fruit trees are a very popular item for gardeners with a limited space. These trees grow about 8-12 feet tall at maturity and will use a correspondingly small space. Dwarf pears bear two years from planting; dwarf apples from two to four years. Our dwarf trees will be two years old, and 9/16 inch in caliper.

DWARF APPLES—Varieties available: McIntosh, Red Delicious, Cortland, Yellow Delicious, Baldwin. Price—each\$2.00
DWARF PEARS—Varieties available: Clapp's Favorite, Bartlett, Seckel
Price—each\$2.00
DWARF CHERRY—North Star, Meteor. Price—each\$1.75
DWARF PLUM—Stanley, blue. Price—each\$1.75
DWARF PEACH—Golden Jubilee, Elberta, Red Haven. Price—each\$1.75

RED RASPBERRY PLANTS

Raspberries are one of the treats available to home gardeners and will bear handsome crops if a little care is given them. Here is a crop ideal for the part-time farmer which is overlooked by many growers. Very easy to freeze.

We offer strong, well grown plants, free of disease. Start a bed now so that you can enjoy raspberries throughout the summer. Once planted, a raspberry bed is good for from five to ten years, depending on the care given it.

LATHAM (Red)—The fine old standard mid-season berry which folks have liked so well. It bears well under most any condition and is good for commercial or home gardeners. Available in transplants only.

SEPTEMBER (Everbearing, Red)—This is one of the newer everbearing varieties of red raspberries which is reported to be very good. We have only transplants available. Bears in September the first year planted.

TRANSPLANTS

6 for 75c; 12 for \$1.50; 25 for \$3.00; 100 for \$10.00.

Not sold in lots of less than 6 of one variety.

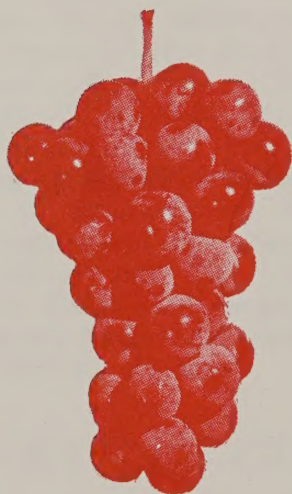

PURPLE AND BLACK RASPBERRIES

SODUS (Purple)—This is the leading purple raspberry. The berries are medium purple in color and good in quality. The plants are very productive and vigorous. Transplants, 6 for \$1.25; 12 for\$2.50

CUMBERLAND (Black)—This variety yields well under most any condition. It has a glossy black berry of excellent quality and bears in mid-summer. Black raspberries are gaining in popularity. They can be raised at less cost than the red varieties and stand on the vines a long time without becoming soft. No. 1 grade only.

PRICES—No. 1 Grade—All varieties: 6 for 65c; 12 for \$1.20; 25 for \$2.00; 50 for \$4.00; 100 for \$7.50; 1000 for \$65.00, not prepaid.

BLACKBERRIES

Blackberries grow best on fertile loam. The rows should be six feet apart with each plant approximately two feet apart in the row.

ALFRED—This is the sweetest of all blackberries. The berries are very large, and bear in large clusters. The plants are very sturdy.

Prices:

12 for \$1.00; 25 for \$2.00; 100 for \$7.00

GRAPE VINES

These are all No. 1 Grape Vines and should give you excellent results.

CONCORD (Blue)—The Standard blue grape.

PORTLAND (White)—Early, large and of good flavor.

CACO (Red)—Early, fine flavor with large bunches.

FREDONIA (Black)—Very early, excellent quality.

VAN BUREN (Black)—Best new grape. Very sweet. 1 yr. No. 1.

Price: 40c each; 3 for \$1.00; 10 or more at 30c each; 100 or more, 25c each

INTERLAKEN—New Seedless Variety—each \$1.50

CURRENT BUSHES—Red Lake—each 50c

GOOSEBERRY PLANTS—Downing—each 75c

(No mail orders accepted for Currants or Gooseberries)

BLUEBERRIES — SPRING AND FALL

Cultivated blueberries are hardy shrubs of rare beauty; they are doubly valuable because they are fruitful and ornamental throughout the entire year.

Every home garden, no matter how small, has room for at least a few of these blueberry plants. It takes only a few plants to produce all the berries that an ordinary size family will need. As a commercial proposition it is one of the most profitable fruits to grow. There is a big market for these delicious blueberries. They make good money in a very short time. You can begin picking the second or third year after planting. Plants last a very long time.

Cultivated blueberries grow in large clusters, plump, tender, and practically seedless. They will grow anywhere that strawberries will, doing their best on a moist, acid soil which is kept mulched all summer. For pollination, plant at least two varieties.

Our very low prices on large bearing plants will give you berries years before smaller plants. We advise buying blueberry plants on a size basis.

We recommend that you plant at least two varieties. Our plants are ready during the season so you may call and pick the plants up immediately.

VARIETIES AVAILABLE —

EARLIBLUE—One of the newer and better varieties of cultivated blueberries. Early and productive.

BLUERAY—Another new and very productive variety—good for either commercial or home gardeners. Large, blue, sweet berries.

JERSEY—Large, light blueberries. The bush grows erect and is very productive.

COVILLE—A new late variety. Berries are firm, crisp, juicy; of excellent quality and flavor. Ripens to a beautiful blue color and last well on the bush.

BLUECROP—Ripens mid-season. Fruit is large, light blue in color and firm. It is sub-acid and well flavored; produces abundant crops.

DIXI—Extra large mid-season variety. Good yields reported.

BLUEBERRY PLANT PRICES—18 to 24-inch size 80c each; 10 or more 75c each; 50 or more, each 70c

BLUEBERRY PLANTS IN POTS—for Summer and Fall planting—each \$1.50

ASPARAGUS PLANTS

Home-grown asparagus is one of the easiest to grow and yet one of the most delicious treats available to the small gardener. Cut fresh in your own garden, it is unexcelled in flavor and quality. Start now to have a bed of your own.

Our plants, if heavily fertilized in your garden, will produce some asparagus for you the next spring. The second spring, you can cut it for about one month and after that, if you continue heavy fertilization, you can cut it up to the 1st of July each year. A bed, once started, will last as long as you take care of it.

Variety — Mary Washington

Heavy No. 1 Grade—25 for 75c; 50 for \$1.50; 100 for \$3.00; 500 for \$12.50; 1,000 for \$22.00. Packing and postage, add 20%.

PLANTING DIRECTIONS — ASK AT NURSERY FOR FREE BOOKLET

HEDGES AND WINDBREAKS

California Privet—18-24"—well branched—10 for \$1.00; larger size, 10 for \$2.00	
Red Leaf Barberry—10 for	1.00
American Arbor Vitae—10-12 inches, bare root 4 year old transplant—10 for	5.00
MULTIFLORA ROSE—very fast growing. Excellent for thick covering hedge. Will be covered with white flowers in June and will produce many berries. Excellent for birds.	
Price—18 1/4" plants 10 for \$1.25; 25 for \$2.50; 100 for	\$9.00
ROBIN HOOD MULTIFLORA ROSE—the new Red Flowering Multiflora	
—1 year seedlings, each 50c; 10 for	\$4.50

FLOWER AND VEGETABLE PLANTS

We believe we sell the largest variety of annual flower and vegetable plants available locally. Hardy varieties are available in April; semi-hardy varieties about May 1 and tender types about May 5 to 10.

Many new varieties of flowers will be available this year as well as the old standards.

EVERGREEN HEDGES

Many homeowners want an evergreen fence for privacy and want larger sizes. We suggest these types of Evergreens: Hemlocks, American or Pyramidal Arbor Vitae, Plumosas, Pine, and White Spruce. Suitable flowering shrubs would be Forsythia and Spirea Van Houttei.

ROOTS AND HERBS

Horseradish Sets—whole roots 10c each; 1 doz.	\$1.00
Rhubarb Roots—35c each; 3 for	1.00

In case we are sold out—shall we substitute similar product, or refund money?.....
If no answer is given—we will substitute if necessary.

OUR GUARANTEE

We guarantee to furnish stock in good condition, up to grade and specifications. If your mail order arrives in damaged condition, report to us immediately. We will adjust complaint or refund your money.

We cannot guarantee livability after stock arrives on your place as so many factors may be the cause. We will, upon proper proof, replace free all trees, etc., which may prove untrue to name or refund the price paid but we will give no further warranty.

We do not guarantee balled and burlapped evergreens.

Our nursery is inspected yearly by an authorized State Inspector and a copy of our certificate accompanies each shipment.

SHIPPING

Please call for your order whenever possible. When orders must be shipped, please add 20% for packaging and postage.

Please give instructions in your order how we should ship. If no instructions are given, we will ship as is best in our judgment.

We will ship as near as possible to the date which you ask but can not guarantee shipment on exact dates requested because of weather and other conditions beyond our control.

If no date is given, we will use our judgment as to the best time to ship your particular order to the area in which you live.

FOR QUICK SERVICE

Our shipping season for nursery stock is short and we are always rushed at that time. To help us serve you better, we are asking your cooperation by doing the following—

1. Send full payment with order if possible.
2. Allow us to substitute varieties when necessary.
3. Call at the nursery to pick up your order and get your stock fresh. Make arrangements for us to have your order ready.

We invite you to call at our Nursery at any time. We are open seven days weekly from 8:00 A.M. till 6:00 P.M.

Telephone—Ledyard Division:

INGERSOLL 4-7020

(No toll charge from Norwich, New London and Mystic divisions.)

STRAWBERRY PLANTS

Strawberry Plants have been a specialty of the Holdridge Farm for many years. We have growing now on our own farm 15 acres of strawberries. We are not only producers of strawberry plants but we also sell many thousands of quarts of berries yearly. We know that our plants, given proper care, will produce nice crops of berries for you.

Remember the benefits of our quality plants will be yours if you buy Connecticut grown plants from us.

Our plant stocks are:

1. All of virus free strains whenever that stock is available.
2. Absolutely free of red stele.
3. Treated for nematods. We do not feel this is a serious problem in Connecticut if locally grown plants are used.
4. Well fertilized throughout the year.
5. Available in the better varieties for New England.

Recommendations for Planting Strawberries

1. Plant very early in spring—March 20 to May 1—if possible. Never later than May 30.
2. Plant standard varieties. Our choice as follows: Catskill, Sparkle, Howard. Try other varieties in small quantities at first.
3. Plant in very good garden soil—never where turf has just been turned over.
4. Keep blossoms picked off of June bearing varieties the first season.
5. Keep as free of weeds as possible.
6. Fertilize very heavily the season the plant bed is growing. Do not fertilize just before fruiting.

EVERBEARING STRAWBERRIES

Everbearing varieties of strawberries bear both in late spring and in fall but normally bear far less berries than the regular varieties. If planted in the spring, we recommend mulch in August around each plant to keep berries clean. We suggest that you plant not more than one third of your planting to everbearers.

PICK YOUR OWN STRAWBERRIES

During the strawberry fruiting season our fields are open at 8 A.M. daily to anyone who wishes to pick berries for themselves. Last year we opened the fields to the public on June 17; the best picking was about a week later. Our price is 25 cents a quart basket. Our fields are closed to the public after a sufficient number of pickers have arrived at the field to harvest the day's crop. The fields are not open in the afternoons or evenings.

One of our fields is located on our Stevens Farm, located on the Shewville Road about five miles from our Garden Center. The other picking field this year is located on our newly leased farm, about 1 mile north of the Garden Center on Route 27.

BASKETS

We purchase strawberry and other type baskets by the car or trailer load. Because of market conditions, these prices are subject to change without notice. The following prices are in effect as this goes to press.

Quart Baskets.....per 100, \$2.25; per 1000, \$20.00

At farm or by express not prepaid—500 at 1000 rate.

Pint Baskets—both oblong and square.....	per 100, \$2.00; per 1000, \$17.50
2-Quart Pansy Tills—packed 250 to a carton, per 100, \$4.00; per 1,000, \$40.00	
4-Quart Tills—per 100	\$ 5.00
4-Quart Peach Baskets	13c
8-Quart Peach Baskets	14c
16-Quart Veneer Tub Baskets	16c

STRAWBERRY VARIETY DESCRIPTION

OUR FAVORITES—We recommend them highly.

CATSKILL—Midseason to late—a beautiful berry, very productive with large glossy fruit. Good plantmaker—quality of berry is excellent.

SPARKLE—Late. A darker berry than Catskill, best for freezing, fairly large berry. A little sweeter than Catskill—production excellent but not quite as good as Catskill.

HOWARD NO. 17 (Premier)—This is the old reliable very early variety. It is a dependable, heavy yielder and has pointed, fairly light colored berries.

ROBINSON (Mid-season)—This variety has small plants but will give tremendous yields of large berries under proper conditions. Good commercial berry where plants are kept thinned and ground is very rich and moist.

EMPIRE (Early-Mid-season)—A new variety coming into popularity. It is slightly later than Howard but has very large "plum sized" berries.

VERMILLION—Has very glossy fruit—very attractive berries—good plant-maker.

ARMORE—An extra good late variety—very productive—good freezing berry.

EARLIDAWN—Last year this variety ripened 5 days before Howard with us. A round berry, not too sweet.

FAIRFAX—A good home berry. The sweetest of all varieties with real dark berries. Fairly good yields.

RED GLOW (Early Mid-season)—A vivid red glossy berry—reported as an excellent yielder.

STELEMASTER—An early berry with extra large size.

POCAHONTAS—This variety shows great promise. Extra large plants. Berries are large, light, firm and tart.

JERSEYBELLE—A newer variety with large berries, very fancy fruit. A good commercial berry.

TENNESSEE BEAUTY—Excellent berry for store trade, productive and holds color well.

PRICE OF STRAWBERRY PLANTS LISTED ABOVE

25 for 75c — 50 for \$1.50 — 100 for \$3.00 — 300 to 700 @ \$2.50 per 100 — 1,000 for \$20.00 — 3,000 or more @ \$18.00 per 1,000.

For Prepaid Orders by Mail — Add 20% for Packing and Postage

SUPERFECTION—Everbearer—This is one of the standard varieties of ever-bearers and will give you a nice crop of good sized berries.
Price: 25 for \$1.00; per 100.....\$4.00

RED RICH EVERBEARERS—A patented very excellent everbearing strawberry. Large glossy berries.
Price of Red Rich—prepaid or at the Nursery: 12 for \$2.95; 25 for \$5.00;
50 for \$8.50; 100 for\$15.00

SONJANA — CLIMBING EVERBEARING STRAWBERRY—Something New. Grows to 4 or 5 feet tall. Good for years. Supply limited. Price: 3 for \$6.95, for potted plants.
